Introductory Chapter....................................................................................................................................... 1

Part 1: 'Fair Trading' and 'Consumer Protection' in EU Law before the Adoption of the UCP Directive

1. Negative Integration in the Field of 'Fair Trading' and 'Consumer Protection' ........ 25
   I. Case law before Keck and Mithouard................................................................. 25
   II. Case law after Keck and Mithouard. National product requirements versus national restrictions or prohibitions of certain selling arrangements........................... 37
       A. Keck and Mithouard.................................................................................................. 37
       B. Selling arrangements.................................................................................................. 40
       C. National product requirements................................................................................. 44
   III. Case law after De Agostini...................................................................................... 54
       A. Severe restriction or total prohibition of a certain selling arrangement............... 54
       B. Other restrictions or prohibitions of a certain selling arrangement..................... 60
   IV. Constitutive parts of a general prohibition of unfair commercial practices in ECJ case law before the adoption of the UCP Directive.................................................. 63

2. Positive Integration in the Field of 'Consumer Protection' and 'Fair Trading' ........ 69
   I. Horizontal directives................................................................................................. 69
       A. Misleading and Comparative Advertising Directive........................................... 69
           1. Misleading advertising....................................................................................... 69
           2. Comparative advertising.................................................................................. 73
       B. Price Indication Directive...................................................................................... 75
       C. Services Directive.................................................................................................. 76
       D. General contract law directives............................................................................. 76
   II. Vertical directives...................................................................................................... 78
       A. Particular selling method....................................................................................... 78
       B. Particular medium.................................................................................................. 81
       C. Particular goods or services................................................................................... 84
Table of Contents

III. Constitutive parts of a general prohibition of unfair commercial practices in consumer protection directives before the adoption of the UCP Directive

3. Pre-contractual Information Requirements

I. EU information requirements and the long path towards a more coherent European contract law

II. Information requirements in the Draft Common Frame of Reference

III. Information requirements in the Proposal for a Directive on Consumer Rights

IV. Conclusion

Part 2: Towards a Single Regulatory Framework on Unfair Commercial Practices?

4. European and National Unfair Trade law reform

I. European unfair trade Law Reform

A. The UCP Directive

B. The MCA Directive

C. The UCP Proposal 2011

II. National unfair trade reform

A. National unfair trade laws before the implementation of the UCP Directive

1. English law

2. German law

3. Dutch law

4. Belgian law

5. French law

B. Transposition of the UCP Directive into national laws

1. Transposition into English law

2. Transposition into German law

3. Transposition into Dutch law

4. Transposition into Belgian law

5. Transposition into French law

C. Sanctions in case of incorrect or untimely implementation

5. Legal Basis and Harmonisation Technique

I. Legal basis

A. Ex Article 95 EC (Article 114 TFEU)

1. The need for further harmonisation

2. High transaction costs for business

3. Low consumer confidence

4. Ex Article 95 EC (Article 114 TFEU) as the legal basis

B. Ex Article 153 EC (Article 169 TFEU) and achieving a high level of consumer protection

II. Maximum harmonisation framework directive

A. Framework directive (horizontal approach) versus sector-specific directives (vertical approach)
1. Principle ........................................................................................................ 173
2. Complex relationship of UCP Directive with sector-specific EU unfair trade provisions .................................................................................................................. 173
   a. Article 3(4) UCP Directive ........................................................................ 173
   b. Complex relation with the (repealed) (vertical) SP Proposal .................. 176
   c. Complex relation with the (horizontal) Services Directive ...................... 179
3. UCP Proposal 2011 ....................................................................................... 179
B. Maximum versus minimum harmonisation ............................................. 182
   1. Principle .................................................................................................. 182
   2. Justifications for maximum harmonisation in the UCP Directive .......... 184
      a. In general ............................................................................................. 184
      b. Eliminating transaction costs for business ........................................... 185
      c. Creating consumer confidence ............................................................. 186
   3. Explicit exceptions to the UCP Directive's maximum harmonisation character ......................................................................................................................... 187
      a. Relationship with EU Directives containing a minimum harmonisation clause 167............................................................ 187
      b. Financial services and immovable property ........................................ 191
4. UCP Proposal 2011 ....................................................................................... 192
III. The UCP Directive's Internal Market clause .......................................... 196
   A. Article 4 UCP Proposal .......................................................................... 196
      1. Home country control and mutual recognition ..................................... 196
      2. 'Race to the bottom' prevented by maximum harmonisation? .......... 197
      3. Private international law ..................................................................... 200
   B. Article 4 UCP Directive .......................................................................... 202
      1. After the deletion of Article 4(1) UCP Proposal .................................. 202
      2. Towards a conflict-of-law rule regarding non-contractual obligations arising out of unfair commercial practices .............................................. 207
         a. Article 6(1) and (2) Rome II Regulation: 'unfair competition' .......... 216
         b. Article 6(3) Rome II Regulation: 'acts restraining competition' ...... 220
   C. UCP Proposal 2011 ................................................................................... 222
6. Scope of Application .................................................................................... 225
   I. 'Commercial practice' and '(comparative) advertising' ....................... 225
      A. Advertising' and 'comparative advertising' ......................................... 225
         1. European and national definitions .................................................... 225
         2. More detailed analysis .................................................................. 225
      B. 'Commercial practice', a new EU concept with a deep impact on national unfair trade laws ................................................................. 226
         1. European and national definitions .................................................... 226
         2. More detailed analysis .................................................................. 227
            a. Commercial communication and course of conduct .................... 227
b. Direct connection with the promotion, sale or supply of a product to consumers... 229

3. Sales promotions in Belgium and France... 230

C. Comparative conclusion... 236

D. UCP Proposal 2011... 237

II. 'Trader', 'consumer', 'product'... 238

A. 'Trader'... 238

1. European and national definitions... 238

2. More detailed analysis... 239

B. 'Consumer'... 241

1. European and national definitions... 241

2. More detailed analysis... 241

C. 'Product'... 244

D. Comparative conclusion... 245

E. UCP Proposal 2011... 245

III. Business-to-consumer and/or business-to-business... 246

A. B2C/B2B commercial practices... 246

B. Protection of collective economic interests of market participants... 247

C. Critical analysis... 248

D. Safeguarding the integrated approach?... 253

E. Comparative conclusion... 256

F. UCP Proposal 2011... 256

IV. Before, during and after a commercial transaction... 257

A. Article 3(1) UCP Directive... 257

1. European and national provisions... 257

2. Analysis... 258

B. Article 3(2) UCP Directive: relation to contract law - brief overview... 261

C. UCP Proposal 2011... 262

V. Some delimitations... 263

A. Health and safety... 263

B. Taste and decency... 265

C. Additional delimitations... 267

D. UCP Proposal 2011... 268

7. Unfair Commercial Practices... 271

I. Unfair B2C commercial practices... 271

A. European and national grand general clauses... 271

B. More detailed analysis... 272

1. 'Contrary to the requirements of professional diligence'... 273

a. European concept of 'professional diligence'... 273

b. A European conception of the concept of 'professional diligence'?... 275
2. 'To materially distort the economic behaviour of the average consumer'......277
   a. Two components.................................................................278
      1. Using a commercial practice to appreciably impair the consumer's
         ability to make an informed decision........................................278
      2. Thereby causing the consumer to take a transactional decision that
         he would not have taken otherwise........................................279
   b. The benchmark consumer......................................................281
      1. Situation where a commercial practice targets or reaches the
         generality of consumers.....................................................281
      2. Situation where a commercial practice is (specifically) targeted at a
         particular group........................................................................287
      3. Article 5(3) UCP Directive.....................................................289
   C. The grand general clause within the broader framework of the UCP Directive.. 293
   D. Comparative conclusion and UCP Proposal 2011...........................296
      1. Comparative conclusion..........................................................296
      2. UCP Proposal 2011..................................................................297
II. Unfair B2B commercial practices....................................................301
   A. Diverging general prohibitions of unfair B2B competition..................301
   B. UCP Proposal 2011.....................................................................303
   C. Categories of unfair B2B competition..........................................303
      1. Imitation by misrepresentation; misappropriation..........................303
         a. UCP Directive and MCA Directive..........................................303
         b. National rules........................................................................304
         c. UCP Proposal 2011.................................................................306
      2. Disparaging or denigrating a competitor........................................307
         a. MCA Directive.......................................................................307
         b. National rules........................................................................307
         c. UCP Proposal 2011.................................................................309
   I. Misleading B2C actions and B2B advertising....................................311
      A. European and national small general clauses...............................311
      B. More detailed analysis..............................................................313
         1. Untruthfulness / deceptiveness in relation to one or more of the elements
            listed.....................................................................................313
            a. Untruthfulness....................................................................314
            b. Deceptiveness.....................................................................315
            c. Elements of the catalogue....................................................316
            d. Nature of the catalogue.........................................................319
         2. Two specific prohibitions of misleading B2C actions.....................321
            a. Passing-off..........................................................................321
b. Non-compliance with commitments in codes of conduct ........................................... 323
   1. 'Code of conduct' and 'code owner' ........................................................................... 326
   2. Firm, not aspirational, and capable of being verified .................................................. 328
   3. Indication of the trader that he is bound by the code .................................................. 329
   3. Transactional decision test ......................................................................................... 329
C. Comparative conclusion and UCP Proposal 2011 ......................................................... 330
   1. Comparative conclusion ............................................................................................. 330
   2. UCP Proposal 2011 .................................................................................................... 331
II. Unlawful comparative advertising ................................................................................ 332
   A. European and national provisions .............................................................................. 332
   B. More detailed analysis ............................................................................................... 334
   C. Comparative conclusion and UCP Proposal 2011 ....................................................... 336
      1. Comparative conclusion .......................................................................................... 336
      2. UCP Proposal 2011 ............................................................................................... 336

I. Introduction .................................................................................................................. 339
   A. Misleading actions versus omissions ......................................................................... 339
   B. Information requirements in the UCP Directive ......................................................... 340
II. Misleading B2C omissions (general prohibitions) ....................................................... 341
   A. European and national small general clauses ............................................................ 341
   B. More detailed analysis ............................................................................................... 342
      1. Omission of material information ............................................................................ 342
         a. Omitting, hiding or providing in an unclear, unintelligible, ambiguous or untimely manner ......................................................................................... 342
         b. Material information that the average consumer needs in order to take an informed transactional decision ................................................................. 344
      2. Transactional decision test ....................................................................................... 345
   C. Comparative conclusion and UCP Proposal 2011 ....................................................... 346
      1. Comparative conclusion .......................................................................................... 346
      2. UCP Proposal 2011 ............................................................................................... 346
III. Information requirements in case of an invitation to purchase ................................... 349
   A. European and national provisions ............................................................................. 349
   B. More detailed analysis ............................................................................................... 350
      1. 'Invitation to purchase' ........................................................................................... 350
      2. 'If not apparent from the context' ........................................................................... 353
      3. Elements of the catalogue ....................................................................................... 353
      4. Nature of the catalogue ........................................................................................... 355
      5. Relationship of Article 7(4) with the preceding paragraphs .................................... 356
   C. Comparative conclusion and UCP Proposal 2011 ....................................................... 358
      1. Comparative conclusion .......................................................................................... 358
      2. UCP Proposal 2011 ............................................................................................... 359
IV. Information requirements established by EU law...362
   A. European and national provisions...362
   B. More detailed analysis...362
      1. Elements of the catalogue...362
      2. Nature of the catalogue...364
      3. Relationship of Article 7(5) with the preceding paragraphs...364
   C. Comparative conclusion and UCP Proposal 2011...366
      1. Comparative conclusion...366
      2. UCP Proposal 2011...366
V. Deregulation in the field of misleading commercial practices and advertising...366

10. Aggressive B2C Commercial Practices...371
    I. European and national small general clauses...371
    II. More detailed analysis...372
       A. The aggressiveness condition...372
          1. Ways in which a commercial practice can be aggressive...372
             a. Coercion...372
             b. Undue influence...374
             c. Harassment...374
          2. Factors to be taken into account...375
          3. Significant impairment of the average consumer’s freedom of choice or conduct...377
       B. Transactional decision test...381
    III. Comparative conclusion and UCP Proposal 2011...382
       A. Comparative conclusion...382
       B. UCP Proposal 2011...382
IV. Deregulation in the field of aggressive commercial practices...383

    I. The blackist...385
       A. Annex I UCP Directive...385
       B. National blacklists...387
       C. UCP Proposal 2011...390
    II. Blacklisted practices...392
       A. Misleading practices...393
          1. Four misleading practices in relation to (membership or approval of) codes of conduct etc...393
          2. Using bait (and switch) advertising...393
          3. Falsely claiming that a product is available (on particular terms) for a very limited time...396
          4. Deceptive practice in relation to language of after-sales service...397
          5. Falsely claiming that a product can legally be sold...397
6. Presenting consumer rights as a distinctive feature of the offer ........................................... 398
7. Using advertorials .................................................................................................................. 398
8. Making a materially inaccurate claim concerning the nature and extent of the risk to the personal security of the consumer or his family if the consumer does not purchase the product .................................................................................. 399
9. Passing-off ............................................................................................................................ 399
10. Establishing, operating or promoting pyramid promotional schemes, snowball systems or chain selling systems .................................................................................... 400
11. Falsely claiming that sales are liquidation sales ................................................................ 402
    a. Liquidation sales ............................................................................................................... 402
    b. Seasonal sales ................................................................................................................ 404
    c. Discounts ........................................................................................................................ 406
    d. UCP Proposal .................................................................................................................. 408
12. Claiming that products are able to facilitate winning in games of chance ......................... 409
13. Falsely claiming that a product is able to cure illnesses, dysfunction or malformations .......... 410
14. Passing on materially inaccurate information with the intention of inducing the consumer to buy at conditions less favourable than normal market conditions ........................................................................................................... 410
15. Claiming to offer a competition or prize promotion without awarding the prizes ............ 411
16. Falsely claiming that products are free ................................................................................ 412
17. Including an invoice when the consumer has not ordered the marketed product ............. 417
18. Falsely claiming not to be a trader ...................................................................................... 417
19. Falsely claiming that after-sales service is available in a Member State other than the one in which the product is sold .............................................................................. 418

B. Aggressive practices ............................................................................................................ 418
   1. Harassively creating the impression that the consumer cannot leave the premises before conclusion of the contract ................................................................................. 418
   2. Harassing personal visits .................................................................................................. 419
   3. Harassing solicitation by remote media .......................................................................... 419
   4. Maltreating a consumer who wishes to claim on an insurance policy ......................... 420
   5. Coercive advertising to children ...................................................................................... 421
   6. Inertia selling .................................................................................................................... 423
   7. Claiming that the trader's job or livelihood will be in jeopardy if the consumer does not buy ......................................................................................................................... 424
   8. Creating false impressions as regards the winning of a prize ...................................... 424

III. Comparative conclusion ..................................................................................................... 425
12. Enforcement and Legal Redress

I. Collective enforcement in the Member States
   A. European rules
      1. UCP Directive and MCA Directive
      2. Injunctions Directive
      3. CPC Regulation
   B. National rules
      1. United Kingdom
      2. Germany
      3. The Netherlands
      4. Belgium
      5. France
   C. Comparative conclusion

II. Individual enforcement in the Member States
   A. European rules
   B. National rules
      1. United Kingdom
      2. Germany
      3. The Netherlands
      4. Belgium
      5. France
   C. Comparative conclusion

III. Criminal enforcement in the Member States
   A. European rules
   B. National rules
      1. United Kingdom
      2. Germany
      3. The Netherlands
      4. Belgium
      5. France
   C. Comparative conclusion

Part 3: The Relationship Between Unfair Trade Law and Competition Law Revisited

13. European and National Competition Law Reform
   I. The relationship between EU and national competition law (after modernisation
      of EU competition law)
      A. Parallel application
      B. Convergence rule
      C. National law predominantly pursuing an objective different from that pursued
         by Articles 101 and 102 TFEU
   II. European and national competition laws
# Table of Contents

A. Brief overview of national competition laws ........................................ 494
B. Restrictive agreements ........................................................................... 495
   1. Articles 101(1)-(2) TFEU (ex Article 81(1)-(2) EC) ....................... 495
   2. National prohibitions of restrictive agreements ............................. 496
   3. Legal exception of Article 101(3) TFEU (ex Article 81(3) EC) ....... 498
   4. National legal exceptions ................................................................. 501
C. Abuse of a dominant position ................................................................. 503
   1. Articles 102 TFEU (ex Article 82 EC) ........................................... 503
   2. (Stricter) national prohibitions of abuse of dominance and national rules
      on unilateral conduct ...................................................................... 508

14. An Interpretation of the Relationship between Competition Law and Unfair
    Trade Law .......................................................................................... 517
   I. The principles of free and fair competition in the light of some values of the EU .... 517
   II. Interaction between competition law and unfair trade law ................. 521
      A. Prohibition of anti-competitive practices (principle of free competition) .... 521
         1. Undistorted economic behaviour ............................................. 521
         2. Undistorted competition ......................................................... 524
         3. Pivotal purpose ..................................................................... 525
      B. Prohibition of unfair commercial practices (principle of fair competition) .... 535
         1. Undistorted economic behaviour ............................................. 535
         2. Undistorted competition ......................................................... 538
         3. Pivotal purpose ..................................................................... 539
   III. Complementarity of competition law and unfair trade law .................. 539
   IV. Competition law and unfair trade law: 'living apart together' .............. 543
   V. Consequences of this interpretation of the relationship between competition
      law and unfair trade law .................................................................. 548
      A. An anti-competitive practice is capable of constituting but does not
         automatically constitute an unfair commercial practice ................ 549
      B. A practice which is not anti-competitive does not automatically constitute
         a fair commercial practice ......................................................... 551

Concluding Chapter .................................................................................. 555
Annex II Reformed National Unfair Trade Laws ............................................. 597
Annex IV National Competition Law Provisions Corresponding to Articles
   101-102 TFEU ....................................................................................... 639
Bibliography .............................................................................................. 643
Index .......................................................................................................... 697
