Philip Kotler is a professor of marketing and the Elwood D. Stine Professor of International Marketing at the University of Illinois at Urbana-Champaign, Champaign, Illinois. He received his master's degree from the University of Michigan and his Ph.D. and M.B.A. both at Northwestern University. He has written several marketing planning, strategy, marketing, advertising, and promotion books that rank in the world's most widely cited marketing journals and have been translated into several languages. He has published several other successful books and has written numerous articles for leading journals. He is the only three-time winner of the coveted Most Popular Article for the Non-empirical article in the *Journal of Marketing*. His other published works include the *Global Consumer Award* given by the American Marketing Association in 1995, "Marketing Contributions to World Development," and the *Robert Handberg Best Award in Marketing of the Year* and given by the American Marketing Association in 1997 and the *Philip Kotler Award for Excellence in Health Care Marketing* presented by the Academy for Health Care Services Marketing. He has also received the *Charles L. Gifford Distinguished Award*, which each year honors an outstanding leader in the field of marketing. In 1997, he received the *Marketing Educator of the Year Award* from Sales and Marketing Executives International. Dr. Kotler has served as chairman of the College on Marketing of the Institute of Management Sciences (IMS) and a director of the American Marketing Association. He has received honorary doctorate degrees from DePaul University, the University of Zurich, and the Athens University of Economics and Business. He has consulted with many major U.S. and foreign companies on marketing strategy.
